

August 28, 2014

Dear AGC Member,

About this time each year, the Idaho AGC Political Action Committee (PAC) reaches out to AGC members to request additional financial support. This year we thought we would try something different and give you the chance to send your contribution directly to a local race we are sure will impact your business.

This fall voters in Ada County will be asked to choose between candidates in two races for the Ada County Highway District (ACHD) Board of Commissioners. Whether you're a highway contractor or a building contractor, if you do business in Ada County you understand the direct and sometimes costly impact ACHD has on our industry. In the past, ACHD has been a barrier to growth and development or just plain difficult to work with. But we can change that.

By working together with our allies in the development arena, we can help elect pro-business leaders to the ACHD Board. Doing so will help secure a brighter future for our industry here at home. That is why we are asking you to consider making a financial contribution to either or both of these two AGC-endorsed candidates.

Bob Bruce – District 3

Kent Goldthorpe – District 4

Contributions should be sent to:

Bruce for ACHD
99 E. State Street
Eagle, ID 83616
(208) 250-5139

Kent Goldthorpe
1355 S. Black Cat Road
Meridian, ID 83642
www.electkent.net

If you don't already know Bob and Kent, and many of you do, you will find them both to be trusted friends that we can work with. Please consider making a contribution to one or both of their campaigns today. A contribution of \$1,000, \$500 or even \$250 made directly to the candidates would be greatly appreciated.

Thank you for your continued support of the Idaho AGC.

Sincerely,

Michael Arrington
Starr Corp
2014 Idaho AGC President

Garry Mattson
Central Paving
2014 Idaho AGC PAC Chair

Wayne Hammon
Idaho AGC
Executive Director

PS – We would appreciate it if you wrote “Idaho AGC” in the subject line on the bottom of your check to help the candidates track contributions more effectively.
